

SECTION 2

Authorizations, Permits, Reviews, and Approvals

This section summarizes the authorizations, permits, reviews, and approvals required for the proposed project. The proposed project would conform to the *Cedar, Beaver, Garfield, and Antimony Area (CBGA) Resource Management Plan (RMP)* administered by the BLM Cedar City Field Office (CBGARMP) (BLM 1984), the *Warm Springs Resource Area (WSRA) RMP* administered by the BLM Fillmore Field Office (WSRMP) (BLM 1987a), the *House Range Resource Area (HRRRA) RMP* administered by the BLM Fillmore Field Office (HRRMP) (1987b), the *Pinyon Management Framework Plan (PMFP)* (BLM 1983), the ROD for the Wind Energy PEIS, and other related federal, state, and local statutes, regulations, and plans. Table 2, *Potential Authorizations, Permits, Reviews, and Approvals*, shows the potential federal, state, and local statutes and the agency-approved components that may apply to the proposed project. Definitions of acronyms are provided at the beginning of this document.

TABLE 2
Potential Authorizations, Permits, Reviews, and Approvals

Action Requiring Permit, Approval, or Review	Permit/Approval	Agency Authority	Statutory Reference
Federal			
ROW for Land under Federal Management	ROW grant	U.S. Bureau of Land Management	FLPMA 1976 (PL-579); USC 1761-1771; 43 CFR 2800
NEPA Compliance to Grant ROW	EA (tiered to Wind Energy PEIS)	U.S. Bureau of Land Management (lead agency)	40 CFR Part 1500
Grant of ROW by BLM	Endangered Species Act compliance (Biological Assessment and if needed Biological Opinion)	U.S. Fish and Wildlife Service	Endangered Species Act, Section 7 Consultation
Grant of ROW by BLM	National Historic Preservation Act compliance	Utah State Historical Society	National Historic Preservation Act, Section 106
Less than 0.5-acre Impact to Wetlands	Nationwide Permit 12—Utility Line Activities	U.S. Army Corps of Engineers	67 CFR 2020 dated January 15, 2002
Erection of Turbines	Notice of Proposed Construction or Alteration (Form 7460.1)	Federal Aviation Administration (FAA)	14 CFR 77 (2005)
State			
Stormwater Management	UPDES Stormwater Permit for Construction Activities (Permit #UTR100000)	Utah Department of Environmental Quality	CWA, Section 402; 40 CFR Part 122; Utah Water Quality Act (UC Title 19); UAC Title R317

Action Requiring Permit, Approval, or Review	Permit/Approval	Agency Authority	Statutory Reference
Stormwater Management	UPDES Stormwater Permit for Operational Activities if construction includes a new substation (Permit UTR000000)	Utah Department of Environmental Quality	CWA, Section 402; 40 CFR Part 122; Utah Water Quality Act (UC Title 19); UAC Title R317, Group 2, Sector AD: Non-Classified Facilities
Impacts to Waters of the United States (Clean Water Act), including Wetlands	Stream Alteration Permit	Utah Department of Natural Resources, Division of Water Rights	UC Title 73; UAC Title R655
On-site Sewage Disposal System and a Projected Daily Sewage Flow of Less than 2,500 Gallons	Onsite Sewage Disposal Construction-Installation Permit	Utah Department of Environmental Quality, Division of Water Quality	UAC Title 317 R317-3-1 Construction permit for wastewater collection, treatment, and disposal system
Water Use Greater than 5,000 Gallons per Day from a Groundwater Well	Water Right Permit or Water Use Authorization Well drilling permit Qualifies as a public water system if 25 people or more are served daily	Utah Department of Natural Resources, Division of Water Rights	UAC Title R-309 UAC Title R-655-4
UPDES Permit to Conduct an Activity that May Result in a Discharge to Waters of the State (Nationwide Permit)	Water Quality Certification May need for onsite sewage disposal system	Utah Department of Environmental Quality, Division of Water Quality	CWA, Section 401 (33 USC § 1341) UAC R-317
UPDES Permit to Conduct an Activity that May Result in a Discharge to Waters of the State (Nationwide Permit) from a Drinking Water Treatment Plant	UPDES General Permit UTG640000 applies if the water from the groundwater well is to be treated.	Utah Department of Environmental Quality, Division of Water Quality	Utah Water Quality Act, Title 19, Chapter 5 UAC UAC R-317
Utah Groundwater Discharge Permit	Any discharge from ponds at the onsite sewage disposal system that could infiltrate into the groundwater Covered under Groundwater Permit by Rule	Utah Department of Environmental Quality, Division of Water Quality	UAC R-317-6-6.2
Transmission Line Crossing a State Road	License Agreement; Regional ROW encroachment permit All utilities located within state highway ROW must enter into a license agreement with UDOT	Utah Department of Transportation	UAC R930-6
Transport of Materials on State Roads and Highways	Port of Entry Permit	Utah Department of Transportation	UAC R-9112-6
